

Press Note

The Department of Fisheries, J&K Govt, has always tried its best to upgrade its facilities in every aspects to provide services to all the concerned including the esteemed anglers for providing and facilitating hassle free angling permit both for the National and Foreigners, who have always appreciated our efforts and have found the J&K Trout waters one of the world class angling destinations and have enjoyed the sport to best of their satisfaction.

The Department in its endeavour has decided to make the issuance of Trout permits to the esteemed anglers for trout angling in various Trout Streams of the Union Territory, J&K, more convenient, easy and accessible and accordingly the existing online mode was reported by esteemed anglers to be a little inconvenient to address the issue. Now, the Department has successfully developed /launched the necessary Angling App for facilitating easy hassle free ~~the~~ issuance of trout permits to the esteemed anglers and the offline mode has been dispensed with altogether.

Now therefore, the Trout Fishing Permits shall be issued to the esteemed anglers through newly Developed App w.e.f. 02.05.2022 for which the link will be available on the Departmental website www.jkfisheries.in
