

**PATTERN OF ASSISTANCE FOR CARP UNIT IN PRIVATE SECTOR UNDER**

**Rashtriya Krishi Vikas Yojana (RKVY)- (2018-19)**

Name of the Scheme	Unit Cost	Beneficiary Share		Departmental Share	
	Amt in Lacs	%	Amt in Lacs	%	Amt in Lacs
<b>Propagation of Carp Culture in Private Sector</b>	3.75	60	2.25	40	1.50

**Selection of Beneficiaries**

The beneficiaries will be selected by a technical team of the department strictly on the basis of the feasibility of the site. The Scheme comprises of establishment of a Carp Rearing Pond in preferably sub tropical areas of the State. The basic requirement of 3 kanals of land and dependable perennial water source. The carp pond shall be constructed over an area of 2 kanals (water spread area) the rest of the land is utilized in dykes etc. Other parameters considered are location of site, watch and ward, accessibility etc. In Jammu Division composite fish culture of Indian Major Carp (IMC) and Exotic Carps has successfully been taken up both in public and private sector. In Kashmir and colder regions of Jammu Division Exotic Carps (Grass , Silver and Common Carps) are reared in appropriate ratio to utilize all the feed niches of the pond. The water supply is ensured from a dependable water source. The stocking is done with 500 fish per kanal of water spread area. The fish attain the saleable size of about 800 gms (depending upon the water temperature) in a year. The department has taken care of all the components of the scheme including the technical guidance and training to the selected beneficiaries etc.

**Breakup of the Scheme**

i.	Construction cost (50mx20mx1.5m)	Rs. 2.05 Lacs
ii.	Augmentation of water sources (Provision of inlet/Outlet)	Rs.0.4125 Lacs
iii.	Feed/Seed/Fertilizer	Rs. 0.4125 Lacs
iv.	Implements/Equipments/Training/Transportation	Rs. 0.875 Lacs
<b>Total Unit Cost</b>		<b>Rs. 3.75 Lacs</b>

**Departmental Share: As Per approved specification**

Name of the Component	Rs. in Lacs
Construction Cost	0.820
Augmentation of Water Supply	0.165
Feed/Seed Fertilizer	0.165
Implements/Equipment	0.300
Training / Supervision and Contingencies	0.050
<b>Total:</b>	<b>1.500 Lacs</b>
